Weight without accessories kg	12.5
Connected load kW	1.9
Max. water feed temperature °C	40
Pressure bar/MPa	120/12
Water flow rate l/h	400

Description

Mobile, in a new, vertical design, with 130 bar and 400 l/h the KÄRCHER 4.98 M high-pressure cleaner copes easily and thoroughly even with stubborn dirt and larger areas.

The appliance is equipped with an extensive range of features, including for example a pressure switch control system (automatic motor cutout) that switches the motor on and off when the handgun is operated. This not only saves going to the appliance, but reduces water and power costs very considerably as well as being easy on the pump and, of course, the environment.

The new, mobile, vertical structure also makes it possible to have a perfect stowage system on the appliance. All accessories including the high-pressure hose can be stowed directly on the appliance and transported easily to the place of use.

The detergent tank cleaning agent tank makes it possible to fill detergent directly on the appliance, for example for washing your car. The accessories provide further benefits. High pressure for power washing and low pressure for rinsing or gentle cleaning.

K4 Pressure washers

K 4.98 M

The integrated fine-mesh filter on the water inlet protects the pump from damage, thereby ensuring a long life.

Like all KÄRCHER pressure washers, the KÄRCHER 4.98 M is TÜV tested and carries the GS safety mark.

Application

For all cleaning jobs around the house, e. g. soiled or moss-covered surfaces such as house facades, patios, paths, walls, swimming pools, garden furniture, two-wheelers and for cleaning car exteriors.

Features & Benefits

Fully clad in impact-resistant, recyclable plastic

- Protects drive and pump unit from dirt and damage, non-corroding, break-proof, recyclable

Air-cooled induction motor

- Powerful, tried and tested thousands of times

Three-piston axial pump

- Perfected pump technology, optimal efficiency, long life

Polyfibre cylinder head with suction and pressure valves made of high-quality plastic

- Non-corroding, lightweight, dimensionally stable

Safety valve

- Protects the appliance from pressure overload

Pressure switch control system

- Switches off directly when the gun is closed, increasing serviceable life

Detergent tank

- Cleaning agent is always available and is dispensed in low pressure mode

TÜV and GS tested

- High safety and quality standard

Modern design, vertical construction with handle and wheels

- Can be moved effortlessly, including up and down stairs, storage system for all accessories

Large on-off switch

K4 Pressure washers

K 4.98 M

- Extremely easy to handle

High-pressure hose with anti-kink system, high-pressure drum

- Hose does not get twisted while working, hose is tidily stored around housing

Ergonomically designed handgun

- Fits optimally in the hand for fatigue-free working

Variopower spray lance

- Pressure infinitely variable from 20-120 bar, the right power for every cleaning job

Accessory kits

Garden cleaning kit

Kit for cleaning jobs in the garden and round the house, such as garden furniture or roller shutters with washing brush, 10 detergent tablets and water filter.

Order no. 2.850-475.0

Car cleaning kit

Kit for cleaning car bodywork comprising rotary washing brush, straight washing brush, 10 detergent tablets and a leather cloth.

Order no. 2.850-472.0

Brushes

Soft T-head brush

Particularly suitable for cleaning larger surfaces, such as cars, caravans, boats, conservatories, roller shutters. The brush features soft, gentle-action bristles, a working width of 248 mm for good area coverage, an all-round protector ring which protects the surface from scratches, a union nut for secure mounting to the trigger gun, a rubber pad for removing stubborn dirt, e.g. insects, and an ergonomically shaped handle for easy and comfortable handling.

Order no. 2.640-590.0

K4 Pressure washers

K 4.98 M

Wheel washing brush

For highly effective 360 °cleaning. Shape and all-round bristles make it particularly suitable for difficult-to-reach areas and small recesses, such as wheels and bicycle spokes. Special features of the brush are the uniform 360° water distribution for dissolving and flushing away the dirt, quality bristles for efficient and gentle-action cleaning, a union nut for secure mounting to the trigger gun and an ergonomically shaped handle for easy and comfortable handling.

Order no. 2.640-699.0

Soft general purpose brush

Particularly suitable for cleaning all surfaces, such as garden furniture, glass etc. The brush features soft, gentle action bristles, an all-round protector ring which protects the surface from scratches, a union nut for secure mounting to the ergonomically shaped handle for easy and comfortable handling.

Order no. 2.640-589.0

Rotary washing brush with joint

Rotating brush for effortless cleaning of all smooth surfaces (painted, glass, plastic). Angle of brush head adjustable for cleaning difficult-to-reach areas.

Order no. 4.762-065.0

Cleaning agents

Abrasive, bag

For use with wet-blasting kit 2.638-792, removes rust and paint.

Order no. 6.280-105.0

Abrasive, bucket

For use with wet-blasting kit 2.638-792, removes rust and paint.

Order no. 6.280-106.0

K4 Pressure washers

K 4.98 M

Stone and facade cleaner, RM 580

For use with pressure washer or for manual cleaning. Removes oil, grease soot, dust, algae and soiling caused by emissions from stone and aluminium facades, stone patios and other stone surfaces. (FR/NL)

Order no. 6.294-037.0

Stone and facade cleaner, RM 580

For use with pressure washer or for manual cleaning. Removes oil, grease, soot, dust, algae and soiling caused by emissions from stone and aluminium facades, stone patios and other stone surfaces. (D)

Order no. 6.294-031.0

Wood cleaner, RM 575

For use with pressure washer or for manual cleaning of all water-resistant wooden surfaces, treated or untreated. Removes all kinds of dirt from wooden floors, decks, tables, chairs and other furniture. (FR/NL).

Order no. 6.294-039.0

Plastic Cleaner , RM 570

Suitable for use with pressure washers, but also for manual cleaning. Cleans, maintains and protects garden furniture, garden implements and window frames made of plastic as well as other plastic surfaces. (FR/NL).

Order no. 6.294-041.0

Wax and drying aid, RM 595 Ultra

Ready to use, highly concentrated spray wax for use with pressure washers. Accelerates drying process, ensures fast dispersal of water, lasting shine and preservation of paintwork. Its long-lasting action keeps vehicles clean for much longer. (FR/NL)

Order no. 6.294-020.0

K4 Pressure washers

K 4.98 M

Car shampoo, RM 565

Perfect cleaning and care for motor vehicles and motor-cycles. Slightly alkaline detergent, solvent-free, therefore does not harm the environment. Ideal for use with pressure washer and for manual cleaning. Only for cold-water operation (D)
Order no. 6.294-029.0

Plastic Cleaner , RM 570

Suitable for use with pressure washers, but also for manual cleaning. Cleans, maintains and protects garden furniture, garden implements and window frames made of plastic as well as other plastic surfaces. (D)
Order no. 6.294-035.0

Wood cleaner, RM 575

For use with pressure washer or for manual cleaning of all water-resistant wooden surfaces, treated or untreated. Removes all kinds of dirt from wooden floors, decks, tables, chairs and other furniture. (D)
Order no. 6.294-033.0

Wax and drying aid, RM 595 Ultra

Ready to use, highly concentrated spray wax for use with pressure washers. Accelerates drying process, ensures fast dispersal of water, lasting shine and preservation of paintwork. Its long-lasting action keeps vehicles clean for much longer. (D)
Order no. 6.294-028.0

Universal cleaner, profi RM 555 Clean Sticks

Only for use with trigger gun with detergent device; insert stick into trigger gun's detergent compartment and apply detergent directly at low pressure.
Order no. 6.290-853.0

K4 Pressure washers

K 4.98 M

Stone and facade cleaner, RM 580

For use with pressure washer or for manual cleaning. Removes oil, grease, soot, dust, algae and soiling caused by emissions from stone and aluminium facades, stone patios and other stone surfaces.

Order no. 6.290-542.0

Boat cleaner

Concentrate, produces 5 litres of cleaning agent. Suitable for use with pressure washer. Cleaning and care agent for dirty surfaces of boats.

Order no. 6.290-158.0

House and garden cleaner

Concentrate, produces 5 litres of cleaning agent. Suitable for use with pressure washer, but also for manual cleaning. Cleans, maintains and protects all plastic surfaces around the house and garden.

Order no. 6.290-142.0

Car shampoo, RM 565 Ultra

Perfect cleaning and care for motor vehicles and motor-cycles. Slightly alkaline detergent, solvent-free, therefore does not harm the environment. Ideal for use with pressure washer and for manual cleaning.

Order no. 6.290-126.0

Universal cleaner profi RM 555 Clean Tabs

Concentrate, to be diluted with water, 1 tablet produces 0.5 litre cleaning agent

Order no. 6.290-626.0

Universal cleaner profi RM 555 Ultra

Concentrate, to be diluted with water, 1 tablet produces 0.5 litre cleaning agent

Order no. 6.290-016.0

K4 Pressure washers

Universal cleaner, profi RM 555

Ready to use, 5-litre canister, for facades, garden furniture, vehicles, stone, glass, etc. Concentrate, to be diluted with water, 500ml produces 5 litres cleaning agent.

Order no. 6.290-697.0

Extensions

3-stage extension spray lance

Variable extension of spray lance with 4 aluminium sections, up to 1.7 m

Order no. 2.639-722.0

High-pressure extension hose (6 m)

Hose suitable for temperatures up to 40°C. Pressures up to 120 bar. Connects between machine and high-pressure hose.

Order no. 6.390-243.0

High-pressure extension hose (10 m)

Hose suitable for temperatures up to 40 °C. Pressures up to 160 bar. Connects between machine and high-pressure hose.

Order no. 6.389-092.0

Lance extension

Extends spray lance by 0.5 m.

Order no. 4.760-262.0

Hard surface cleaners

Power brush

High-pressure powered roller brush scrubs smooth surfaces around the house (wood, stone, tiles). Integral detergent metering.

Order no. 2.639-186.0

K4 Pressure washers

K 4.98 M

T-Racer replacement nozzles

Easily installed nozzles for "T-Racer 100" and "T-Racer 300"
Order no. 2.640-727.0

"T-Racer 100" hard surface cleaner

Standard T-Racer model for cleaning flat surfaces without splashback, e.g. patios, terraces, balconies and walls made of stone and wood. Two rotating fan jet nozzles for increased cleaning power. Fast, efficient, simple.
Order no. 2.640-637.0

Floor cleaning tool

Cleans floors without splash back.
Order no. 2.638-791.0

T-Racer surface cleaner

For cleaning surfaces such as patios, terraces and driveways without splashback. Equipped with assist handle for cleaning vertical surfaces, such as garage doors.
Order no. 2.640-212.0

Miscellaneous

Replacement high-pressure hose (9 m)

For consumer pressure washers on which hose is secured to trigger gun with quick connect clip, 9 m, 160 bar.
Order no. 6.390-463.0

Water filter

Prevents dirt particles in contaminated water getting into pump.
Order no. 4.730-059.0

K4 Pressure washers

K 4.98 M

Replacement high-pressure hose

3 fine filter elements for replacing fine mesh water filter installed in the pressure washer (suitable for Kärcher consumer pressure washers from 2002).

Order no. 4.730-108.0

Replacement high-pressure hose (9 m)

For consumer pressure washers with trigger gun 97 and older, 9 m, 150 bar.

Order no. 6.389-555.0

Backflow check valve

Prevents cleaning agent and dirty water entering drinking water supply when there is a depression on the water main

Order no. 6.412-578.0

Special applications

Wet-blasting kit

Used in conjunction with abrasive for removing rust and paint.

Order no. 2.638-792.0

Suction hose with filter (3 m)

For water intake from ponds, water butts, tanks for operation of pressure washer. No further connection necessary.

Order no. 4.440-238.0

High volume pumping set

For quickly pumping large quantities of water.

Order no. 2.637-214.0

Pipe cleaning kit (15 m)

Clears blocked pipes and drains.

Order no. 2.637-767.0

K4 Pressure washers

K 4.98 M

Pipe cleaning kit (7.5 m)

Clears blocked pipes and drains.
Order no. 2.637-729.0

Splash guard for Dirt Blaster

Reliable protects user from splashwater. Pushes on to Dirt Blaster (not for Dirt Blaster 4.763 -184)
Order no. 4.394-303.0

Spray lance

Variopower spray lance K3

For infinitely variable pressure control. Simply turn the spray lance.
Order no. 4.760-544.0

Barrel cleaner

Rotary cleaning head with two Dirt Blaster nozzles for effective tank/barrel cleaning.
Order no. 2.631-001.0

Angle spray lance

Extra long angled spray lance, e.g. for cleaning roof gutters.
Order no. 2.638-817.0

Triple nozzle with spray lance

Three types of jets: User can select high-pressure fan jet, high-pressure pencil jet and low-pressure jet.
Order no. 4.760-269.0

Flexible Dirt Blaster

Dirt Blaster head with infinitely variable adjustment.
Order no. 2.639-001.0

K4 Pressure washers

K 4.98 M

Flexible spray lance

High and low-pressure jets. Spray lance swivels 360° to easily clean difficult-to-reach areas.

Order no. 4.760-272.0

4-jet spray lance

A general purpose spray lance. Four jets in a single spray lance: Dirt Blaster, fan jet, pencil jet, detergent jet- changeover by simply turning the spray lance

Order no. 4.760-482.0

Dirt Blaster

Rotary nozzle for stubborn dirt, moss-covered or weathered surfaces

Order no. 4.763-977.0

Washing sponges

Universal washing sponge

Particularly suitable for cleaning all surfaces, such as garden furniture, glass. Special features of the washing sponge are a soft water-permeable sponge pad which dissolves and flushes away dirt, cling-strip fastener for easy replacement, good detergent absorption and distribution, an all-round protector ring which protects the surface from scratches, a union nut for secure mounting to the trigger gun, a rubber pad for removing stubborn dirt, e.g. insects, and an ergonomically shaped handle for easy and comfortable handling.

Order no. 2.640-607.0

K4 Pressure washers

K 4.98 M

Large-area washing sponge

Particularly suitable for cleaning larger surfaces, such as cars, caravans, boats, conservatories, roller shutters. Special features of the washing sponge are a soft water-permeable sponge pad which dissolves and flushes away dirt, cling-strip fastener for easy replacement, good detergent absorption and distribution, a working width of 248 mm for good area coverage, an all-round protector ring which protects the surface from scratches, a union nut for secure mounting to the trigger gun, a rubber pad for removing stubborn dirt, e.g. insects, and an ergonomically shaped handle for easy and comfortable handling.

Order no. 2.640-606.0
