Description

Push sweeper for simple and effortless sweeping of outdoor areas.

Six times faster than a broom.

Almost dust-free sweeping thanks to sealed sweeping mechanism. Roller brush and side brush are mounted on same axle to ensure that no unswept strips are left when sweeping around bends. Both ends of main roller brush are driven. Folding push handle.

Push sweepers

KM 650 I

Application

Manual direct drive and roller brush's universal bristles make the unit ideal for cleaning indoor and outdoor areas, e.g. yards, driveways, paths, warehouse and workshop floors, etc.
